

# MY KITCHEN RENOVATION CHECKLIST

Your kitchen is the heart of your home and deserves every care and attention to detail.

We know it can look like an overwhelming task, but with careful planning, we can help you navigate the journey and guide you through all aspects of this home changing renovation.

From layout and design to the finishing touches and everything in-between, follow the checklist to ensure you've thought of everything!

## LAYOUT

My current kitchen layout is:

- Gallery
- L-Shape
- U-Shape
- Unique

I want to:

- Keep the existing layout
- Change it up

If you're looking at changing up your layout, you'll need to remember to factor in demolition costs, plumbers and electricians if you're moving power points or sinks etc. to you budget. We can suggest suitable partners to help you, if you need it.

## THOUGHT STARTERS

The things I really want to achieve in my new kitchen are:

- More storage
- Increased bench space
- Additional power sockets
- More room
- Great lighting
- Great for entertaining
- Modern appliances
- Built-in storage solutions

## MUST-HAVES

I must remember to include:

- New appliances
- Provision for dishwasher
- Butler's pantry/scullery
- Stone benchtops
- Restaurant style tapware
- More counter space
- More storage
- Family friendly zone
- New flooring
- Sink
- A large enough fridge recess
- Internal cabinet accessories e.g. lazy-susans, pull-out shelving
- Modern styling
- "Entertainer" friendly
- Appropriate lighting
- Appropriate access to power outlets
- Breakfast bar or island bench
- Built-in dining table
- Taps
- A microwave recess

## FINISHINGS I WANT TO USE

I want my kitchen cupboards to be:

- Laminate
- Painted
- Timber

And they must be:

- Matte
- Gloss or Semi-gloss
- Textured
- Natural

## STYLES I LIKE

I really like:

- Scandinavian (timber and white with accents of pastels)

- Modern (fresh whites and timbers)

- Industrial (base elements of timber and concrete and include brick, exposed ceilings & metal)

- Natural (timber, minerals and concrete)

- Classic (neutral tones and a timeless feel)

- Noir (utilise black in various textures and designs)

- Coastal (fresh palette with splashes of colour and greenery)

- Other \_\_\_\_\_
